Think Spring 2015

Hello Everyone!

First I would like to introduce myself as the 2015 Fair Manager. I have lived in Menominee County for over 40 years. I raised five children here and they participated in events at the County Fair each year. Now I have grandchildren that are doing the same. I feel it has been an important part of their lives. There may be many of you with the same connections to this event and I hope that you will support the youth in this way.

If you have donated or advertised in previous years I would personally like to thank you for that support. If you have not, I would appreciate your consideration in helping this year. The Menominee County Fair has been going strong for over 137 years...thanks to the wonderful support and donations from our surrounding communities. You may choose to sponsor a trophy, advertise in our 2015 Fair Book, or better yet - BOTH.

It is time to order trophies for the 2015 Menominee County Fair to be held July 24-26, 2015. Your support of the fair and fair events is SO IMPORTANT to local Youth participants and to the overall success of our fair. You and your business in turn will receive valuable publicity and recognition for your trophy donation and/or your advertisement in the 2015 Menominee County Fair Book.

Donations are still only \$25.00 for each trophy. To publicize your continuing support, your name, as sponsor, and the name of the trophy donated will be published in the Fair Premium Book in each specific department and on the trophy. If you wish to have your name printed in the book, your check or money order and the information for the trophy MUST be back in our office soon!! The order form is on the next page.

Thank you again for your generosity and community support. See you at the fair!

Sincerely,

Sandra Paschke

Menominee County Fair Manager
