MSU is an affirmative-action, equal-opportunity employer. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status.

Accommodations for persons with disabilities may be requested by calling the MSU Extension office at (906)753-2209 by June 1, 2016 to ensure sufficient time to make arrangements. Requests received after this date will be met when possible.

Make a lap-size quilt from start to finish, using the latest time-saving techniques. No sewing experience is required – we'll teach you how to use a sewing machine. Your quilt will include a central "focus fabric" plus coordinating fabrics. The design is called *Tam's Patch*.

Learn how to:

- Choose fabrics and colors to make a pleasing design.
- Use a rotary cutter and mat to cut strips of fabric.
- Sew the quilt top using the quick strip-piecing method.
- Machine-quilt or hand-tie the quilt layers together.

Sewing machines will be available, though you may bring your own if you prefer. The \$65* registration fee includes fabric, thread, batting, a morning snack and Michigan 4-H Participation fee. All quilting tools will be provided.

On Day 1 we will meet at 9 a.m. at Quilter's Haven Quilt Shop at 447 First Street, across from The Landing restaurant. There you will learn how to select your fabric – even though everyone is making the same design, each quilt will be unique because of your fabric choices. We will bring you back to Blesch School where you will get started (Please use superintendent's entrance on 13th Street).

MORNING SNACK PROVIDED; BRING YOUR OWN LUNCH.
