Menominee County Personnel Committee  
Minutes of Meeting  
March 2, 2017

\*\*\*\*\*DRAFT\*\*\*\*\*

The Personnel Committee met on March 2, 2017 at 4:00 PM at the Menominee County Courthouse, Administrative Office.

Others present at the meeting were Sherry DuPont, Peggy Schroud, Marc Kleiman, Lisa Reed and Jodie Barrette.

**Call Meeting to order:** Commissioner Piche called the meeting to order at 4:00 PM.

**Pledge of Allegiance:** The Pledge of Allegiance was recited.

**Roll Call:** Roll call was taken; All here.

**Agenda** was approved by Com. Hafeman and supported by Com. Lang. Motion approved 4/0

**Previous Meeting minutes:** Previous minutes from February 8, 2017 were approved. Moved by Com. Hafeman and seconded by Com. Lang 4/0.

**Public Comment:** Larry Schei, on agenda item "job description of County Administrator." Firmly believe that the administrator should be in charge of Building and Grounds, Parks and all other departments in the courthouse including Equalization. Does not believe that the administrator should have anything to do with the Airport other than budget and administration from a finance point of view. Airport is doing fine under the current manager, who is doing a good job financially. His opinion is that the new administrator should not have anything to do with the airport as had Brian Bousley.

**Business:**

- a. **Job description for IT person-: Com Lang:** Needs something clear in his mind, what we are doing is writing a job description for an IT person, should we decide to hire one, this will get us ready to be classified. **Com Piche:** That's absolutely right. **Com Hafeman:** Having the position in place, that's not hiring. **Com Lang:** It doesn't mean we have to hire but we want to be in the position of being able to hire without going through all of this. **Com Hafeman:** I would like to make a motion to approve the position for the IT. **Sherry:** So what we want to do is send to the board for approval to go to the DMG. **Com Lang:** Supports the motion, but does not feel qualified to make technical changes in the job description. **Sherry:** I sat with an IT person, used a description from another county and made it work for the needs of Menominee County. **Com Phelps:** Would like committee to know that he has spoken with the City Manager 3 times and Tony is open to sitting down and possibly working something out to share an IT person. Have talked about criteria and salary, priorities and emergency situations. Thinks it is important to sit with him because it could be very feasible financially. Have to determine the scope of what is needed for both entities. **Com Hafeman:** It is more important to hire an administrator prior to IT. This discussion was about the description, not hiring. The need (time, special needs,) have to be determined as well as the cost. **Com Phelps:** I would like to talk with Deb (UES), she works for the county, knows what is needed. She also does the IT for the city of Menominee, and would understand the needs now and in the future. Even though he is new here, he can see that they are sitting on a time bomb, without

technology, without an IT person keeping it running, it is serious. The county has several locations that work together, network, if something goes down everyone goes down and potentially can't do their job. **Sherry:** I agree! We need someone now, get the DMG, and get someone hired. Understands not all are in agreement, but they aren't here on a daily basis. Every day there is a need, if UES is here it may be addressed, otherwise that person having an issue is down and can't do their job. It is critical, we need IT. We have it in the budget, don't understand what the big issue is. **Com Phelps:** Wants to talk with Menominee. Would be reckless not to. **Com Piche:** Still, right now we need to proceed with our description and classification. There was a motion and a second, all are in favor; Motion carried.

- b. **Job description for County Administrator: Com Hafeman** Description would stay basically the same, what she did was add down at the bottom, "our administrator will sit on the Building and Grounds committee, parks committee, Airport committee with voice but not vote, and will be responsible for developing agendas and recording minutes. In the absence of the airport manager he would serve as the airport manager." **Com Piche** You feel that that would basically cover the things that are missing or maybe missing. **Com Hafeman:** I think it would, there are a couple things we could add, such as 911, Emergency Management, in an advisory position. **Sherry:** In Emergency Management, we have Richard Sexton, they don't have any meetings: he goes to the 911 meetings. This was to have been done by Charlie, but the administrator was going instead. **Com Hafeman:** So we need to add that to the description? Maybe we don't need the administrator on the airport committee, can we ask Larry (Schei) to speak? **Larry Schei:** I don't know that it is necessary, in an advisory situation, I don't really see a lot of advice that would go to an advisory committee. There is a county chairman currently on that committee, I don't think it's necessary that an administrator be there as well. The airport should be run as a business; kind of separate. I would say no, he/she should not be involved. **Com Hafeman** Ok, will take the airport committee off of there, but then what about the clause; "In the event of the absence of the airport manager, he will serve as the airport manager". **Larry Schei:** Then you are getting in a gray area with the FAA. There is a lineman that could serve in that capacity. **Com Hafeman:** Then we are looking at Parks, Building and Grounds, E911 governing board. **Sherry:** It's the LEPC committee that is by law, a committee the county chair has to sit on: the Administrator had been going in his place. In regards to B&G and Parks, currently we have Jim Mekash who is our Building and Grounds assistant superintendent, his job description says he answers to the B&G superintendent. So, who does he answer to? We don't have a B&G superintendent. That could lie within the administrator description, not that he/she would just be putting out agendas and minutes. For the Parks, people call administration all the time. There needs to be a point of contact. When there is a need, who is Jim Quist going to call? If this is going to be the administrator, we need to add some of these duties in. I do have the job descriptions for them. **Com Phelps:** Repeats much of what Sherry just stated. Who do these people answer to now? **Com Piche:** The way we are set right now, without an administrator, we answer to county board. **Sherry:** We answer them, this office, people come here. They call here, if that is the case, the administrator should have these duties in the job description. **Com Hafeman:** So, B&G superintendent and Parks superintendents....and will sit on LEPC. **Sherry:** LEPC has to have the county chairperson on it, wouldn't put it in there, it goes against the state law. Offers a description that would explain the duties of both entities. Remove the part about the heating and cooling. **Com Piche:** Reads communication from Com Nelson stating the duties that are accomplished by individual committees, Sherry does the agendas and minutes, much of the budget, insurance, prepares reviews....etc. All he and Charlie do is sign, the work is done. Doesn't see a need for a full-time admin position after the last 5 months without one. **Com Hafeman:** I don't think any of those things should change as far as description, if the admin assistant is not available it still falls on the administrator to oversee these duties. **Sherry:** MSHDA (Fixed asset reports, put oversees instead of tracks and updates). Under Human Resources, supervises department heads....do we want to put Equalization in here? **Com Hafeman:** I don't think the change should come in there, it should be changed in the Personnel Manual. Evaluations have not been done, but need to be. **Sherry:** Payroll is not handled in this

office, insurance etc. **Com Hafeman:** But ultimately is responsible. Do we want risk management in or out? Payroll can come out. Maintains signing off of timesheets, after department heads have. Why isn't the education and experience put at the very beginning? Then after that the knowledges and skills should come. **Com Phelps:** Is there an equivalency in there? Someone could have a Master's degree with 4 years of experience. **Com Hafeman:** It is a minimum of 5 years' experience, there is an equivalent statement. Have pretty much cleared up the physical demands, language abilities, and the math abilities. **Com Piche:** Let's go through it quick so that we are all together. Position summary leave where it is, then education and experience, knowledge skills and abilities is good. Essential duties and responsibilities, (only change there was to keep all the ones in black) the one currently in red will say "acts as Parks and Building and Grounds superintendent, and then, and will manage and oversee department operations, including the maintenance of the jail, courthouse, health department, annex, library and all grounds and parks. Prepares an annual department budget and orders supplies and equipment." Under finance it should say MSHDA. Next one should say "oversees" county fixed assets report. Human Resources (supervises department heads and administrative staff). Coming down a little bit, instead of establishes, it will say oversees timesheets, pension and disability, group health and life insurance, leaves of absence, and compensation plan administration. **Sherry:** We should add employee timesheets. **Com Hafeman:** OK! Will move to approve and send to the board. Second by **Com Lang.** Motion carried

**Public Comment:** None

Motion to adjourn by Com Hafeman, second by Com Phelps, meeting adjourned at 4:55 p.m.

March 21, 2017

Dear County Board of Commissioners,

I have been employed with Menominee County for over 16 years. I currently hold two part time custodial positions and the seasonal grounds/gardening work within the county. A combination of those jobs allow me to work 25 hours per week, and it allows me enough time to sufficiently do my duties and some extras when needed. My current pay is \$9.00 per hr., I would like to negotiate an increase in pay.

Attached is a list of duties I presently maintain (for the custodial position):

As Custodian, the buildings I maintain are:

Annex building: 1-2 hours/day

Library building: 1-2 hours/day

Courthouse/Health Dept: Only when needed for additional cleaning above and beyond the Hi-Tec contract.

Under the seasonal position:

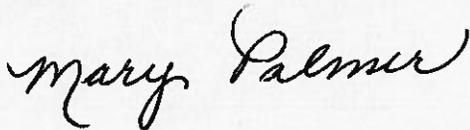

Parks/Buildings & Grounds: Maintain County gardens; ordering of annual flowers (mostly at the courthouse, health dept., annex)

Airport: Maintain entrance flowers; help with landscaping if needed

**Additional Duties:** Deep cleaning of buildings, carpet shampooing, floor waxing, remove and clean all faucet aerators monthly, order/inventory supplies for all buildings and keeping offices stocked, clean entrance runners for all buildings, use of personal vehicle to transport supplies, equipment, garbage from buildings, and for gardening.

Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Mary Palmer".

Mary Palmer, Custodian/Grounds beautification

I have a new position I would like to create (assistant director) which would be non-union. Possibly making the current telecommunicator specialist position (union) a night time supervisor position or maybe even eliminating it. With this I would need to redo the job descriptions or just create a new job description which would then require a dmgs study on our department (opening another can of worms). What are your thoughts??? Wait until administrator? Budget? Or get them on board now??
