Taking pictures is an activity many of us enjoy. However, many people take pictures without really thinking about what makes a good picture. Photography can be considered an art form. Photography can tell a story, reflect a mood, or capture an instant in time.

At 4-H Photography Camp, you will learn about the elements that make a good picture. Composition, lighting, background and perspective are terms you will come to know. You will take many, many photos, indoors and out, so come dressed for the weather. ***Wear comfortable shoes because we will do lots of walking.***

You will need to bring a digital camera. Please bring your camera's manual and a new memory card. You also need to bring a lunch each day. The program will include daily field trips.

In addition to taking pictures, we will visit Walgreens in Marinette, Wisconsin and enlarge a few of your favorite photos. We'll then mount and frame them to put on display at the Menominee County Library, Spies Library in Menominee and for entry in the Menominee County Fair.

On Friday, June 28th, camp will end at noon.

When we receive your registration, we will send a confirmation letter and Media Release/Medical Treatment Form.
