Menominee County Road Commission  
Mailbox Repair Policy – Adopted 10/14/08

This mailbox repair policy supersedes all previous mailbox policies.

The Menominee County Board of Road Commissioners authorizes the repair of mailbox damage caused by the Road Commission's winter operations. This policy would apply to damage caused by either direct contact with Road Commission equipment or plowed snow from Road Commission equipment. Consequently, this policy identifies the terms and conditions associated with the Menominee County Road Commission's reimbursement and/or replacement of a damaged mailbox.

The following mailbox policy applies only to those mailboxes located on the county road system and does not apply to those mailboxes located on State Highways [US-41, M-35, US-2 and M-69].

The Menominee County Road Commission reserves the right to inspect any mailbox damage complaint prior to any replacement and/or reimbursement to the property owner.

The Menominee County Board of Road Commissioners will either reimburse a property owner a flat fee of \$25.00 for a damaged mailbox or replace the mailbox. A damaged mailbox is defined as any damage to the existing mailbox and/or post which prohibits regular mail delivery as a result of the Road Commission's winter operations. If the property owner decides to have the Road Commission replace the damaged mailbox and/or post, the Road Commission will only replace with a standard gray or black mailbox with a 4" x 4" wooden post.

**Adopted June 14, 2016:** AMENDMENT: Effective June 14, 2016 the Menominee County Road Commission Mailbox Repair Policy shall be amended as follows:

"The Menominee County Board of Road Commissioners will either reimburse a property owner a flat fee of **\$40.00** for a damaged mailbox or replace the mailbox."

All other provisions of the above policy will stay the same as originally written.

**Adopted July 12, 2016:** AMENDMENT: Effective July 12, 2016 the Menominee County Road Commission Mailbox Repair Policy shall be amended as follows: Paragraph 5 shall be changed to state:

The Menominee County Board of Road Commissioners will either reimburse a property owner a flat fee of \$25.00 for a damaged mailbox or replace the mailbox. A damaged mailbox is defined as any damage to the existing mailbox and/or post which prohibits regular mail delivery as a result of **the Road Commission's operations**. If the property owner decides to have the Road Commission replace the damaged mailbox and/or post, the Road Commission will only replace with a standard gray or black mailbox with a 4" x 4" wooden post.
