Old Business:

- A) Follow up on Chapter 6 – County Facilities & Services: Administration to contact each department and have them review their department function description. Steve Gromala offered to contact Administration and try to get this project to move toward completion.
- B) Possible Downsizing of County Master Plan: C. Peterson had a good discussion with Delta County's new Administrator who is also looking to downsize their Master Plan.
- C) CHAPTER 8 Recreation: It was noted Chapter 8 is basically covered under the Parks and Recreation 5-year plan. The Parks 5-year plan is noted in the Master Plan so that the most current version can be referenced as needed.

New Business:

- A) COUNTY MASTER PLAN – Recommendation was made that Menominee County Planning Commission seriously consider condensing County Master Plan document by about 70%. The reason being that the data currently contained in the current extremely detailed document is available in more current formats from other sources.

Next Meeting Date: (TBD) Re-organizational meeting should be held in April (or May); to be followed by the next quarterly meeting. Peterson noted the re-organizational meeting agenda has been sent to Administration. Advised those present to think about time, day (dates) and location of meetings as well as new officers.

Adjournment: Motion by B. Desjarlais to adjourn, support by K. Kline. Motion carried.
Meeting adjourned at 5:32 pm.
