Public Comment: no one present

Presentations: None.

Old Business:

- A) Brownfield Redevelopment Authority-to remain on the agenda pending start up info
- B) Airport Commission Ordinance-As the Airport is currently being re-organized as a solely managed unit of Menominee County it is likely that all ordinances and other documents will be reviewed at some point in the future. Item to be dropped from MCPC agenda for now.
- C) Review of presentation made to the Menominee Township Planning Commission on Tuesday July 21, 2015 with suggestions for ways to correct and improve their draft. Charlene Peterson made the presentation on behalf of the County Planning Commission.

New Business:

- a) Veteran's Park grant request from CUPPAD on boardwalk project at Veteran's Park in Powers, MI. Received too late to take action. By consensus, these plans will be put on File at the Annex but a letter is being sent to register comments after the deadline (05-13-15) as they are putting a burden on the township for maintenance for 100 years.

Next Meeting Date: Monday, September 28, 2015 at 5:00 PM with alternate date of Monday, October 26, 2015 or as needed. Brief discussion was held about continuing to meet at Lake Township Hall with a consensus to do so.

Adjournment: Motion by Bill Anderson to adjourn, support by Ray Williams. Meeting adjourned at 5:53 pm.
