

Thank you all for your patience this year waiting for the date of the fair. The Fair Board has set the date as July 18-20, 2014. We also have made some changes to our Fair book as follows:

- 1- The apron category this year is "Field and Stream"
- 2- The sawhorse animal category is "Darling Sawhorse Dog"
- 3- We have had some crazy spring and summer weather these past few years and have decided to accept registrations for the still exhibits on site at the Fair grounds on July 17<sup>th</sup> in the following categories only: Agriculture, Floriculture, and Horticulture for the Adult and Youth Departments. Pre-registration is still required on all other entries in all other Departments. This will allow one to enter garden vegetables, for example, that may have not been ready at the deadline of registration.
- 4- We are also increasing the limit size of still exhibits in all Departments except for 44 and 64 (photography). We will be allowing 7 entries per Department, but still one per class. (the past was 5 entries per Department)
- 5- The entire quilting Department in Youth and Adult has been revised. As soon as I rewrite that portion of the Fair book, I will forward the information to you.
- 6- The Veteran/Youth Horse show will be on Sunday, July 20<sup>th</sup> at 8:30 a.m.
- 7- We will have 2 Classes of Photography – Color and Non-Color. This will allow for sepia photographs to be entered. You will still be able to ONLY enter 5 exhibits per Department 44 & 64 and 1 per class.
- 8- We will also be having the biggest Sunflower head contest for Adult and Youth – for a special prize.
- 9- If there is anything else you would like to see added, please call me and I will include in the Fair book. Any and all suggestions are welcome and encouraged.

I will email updates and post on the County website at [menomineecounty.com](http://menomineecounty.com)

Thank you!

Kandace
